Covid Procedures

Thank you Parents & Students for following our Covid Procedures. We will continue to keep them in place for everyone's safety.

According to the CDC, dance is considered a rigorous activity, so masks are not required for students to dance, they will need to enter and move about the studio with a mask on.

Communication

All dance classes for children and adults you must call the studio if you are going to be absent from class. This does not apply to dance fitness classes. Please address all questions and concerns by calling (860) 910-2584. You will receive a call as soon as possible within 24 hours.

Reminders

- Parents please put your dancer's names in all dance shoes, dance bags and label water bottles. All their belongings will go into a basket for safe keeping and precautions. Each basket will be sanitized after each use for the next group of dancers.
- All dancers will exit through the back door which leads directly into the parking lot. Parents you have been doing a great job of being there to receive your child after classes, so that the instructors can get back inside to sanitize and get the next class started.
- It is important dancers are on time to class. Please inform us if a student will be late.
- Saturdays CM1 9:30 - 10:15 please arrive by 10:15 to pick up your dancers
